Patricia "Pat" Hammers
January 7, 1940 ✦ July 21, 2013

Pat Hammers was elected to her second term as the City Clerk of Cathedral City when she suddenly passed. Pat was a late arrival to the City Clerk profession, after a 31-year career in aerospace. However, Pat was not satisfied with a ceremonial role and instead, fast-tracked her education and obtained her CMC and MMC designations so that she could fulfill her duties with professionalism. As CCAC Southern Division President, Pat championed efforts to increase scholarships to ensure that everyone would have access to education. Pat impacted many, many City Clerks throughout California by serving as a mentor. Pat was a regular fixture at TTC graduations, cheering on all graduates and making sure her mentees felt extra special. Pat and her sister Pearl Vargha were never far apart and those at CCAC and IIMC conferences had the pleasure of hearing about their fascinating adventures. Even in memory, Pat serves as a beacon of integrity, honesty, tenacity, and self-confidence to all those who knew her and her influence continues to live on.
