

Zack Beck  
City Clerk  
City of Escondido

First and foremost, I would like to thank you for making a positive impact in our community. It is a privilege to serve alongside you in the City Clerk profession, as we move our region forward in a positive, productive and prosperous direction.

I previously served as the elected City Clerk of the City of Oceanside. Now I serve as the appointed City Clerk of the City of Escondido, where I lead a dynamic department that serves as the city's source for informational, historical, legislative and election services. It is my daily goal that we provide these services with integrity, accuracy and independence.

I have drawn upon my experience from the public, private and non-profit sectors of our region, to streamline city services, save taxpayer dollars and serve our community. I desire to bring that same entrepreneurial approach to the role of Region 9 Director.

It is of utmost importance that we work together to bring access, equity and efficiency to our government. I am truly honored to lead that effort in Region 9.

I solemnly swear to work tirelessly as your Region Director. I will do my utmost to lead our region in a way that elevates our profession and makes San Diego County more streamlined and sophisticated than ever before.

Please let me know if there is anything I can do to be of assistance to you in your professional development, or in our region as a whole.

Best Regards,

Zack Beck
