

CCAC MENTORING WORKSHOP

TUESDAY, APRIL 2, 2019

4:00-5:30 P.M.

(in conjunction with CCAC Annual Conference in Orange, CA)

IIMC Certification for City Clerks - *Everything you need to know about IIMC Education Guidelines for CMC to qualify as an official CCAC Mentor*

This session covers IIMC Educational Guidelines for CMC designation and is a prerequisite for becoming an official CCAC mentor. To be eligible to be a CCAC Mentor, you must have already earned your CMC and be willing to coach other clerks who aspire to earn their CMC designation.

There is no cost to you for this session, nor are there any “points” for taking the course, however, if you become a mentor you will earn 1 point per year on the professional/social contributions side of the MMC application for serving on the CCAC Mentoring Committee....*and* you will be doing a great service to CCAC and for those who want to become a City Clerk – just like you!

Presented by Mentors Marc Donohue, MMC, Chief City Clerk, City of South Pasadena & Adrian Garcia, MMC, Chief City Clerk, City of Azusa

RSVP for the session to vkasad@ontarioca.gov by Friday, March 29, 2019.
